If You Read This

It will be to learn that the leading medical writers and teachers of all the several schools of practice recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, "liver complaint," torpid liver, or biliousness, chronic bowel affections, and all catarrhal diseases of whatever region, name or nature. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their resultants, as bronchitis, throat and lung disease (except consumption) accompanied with severe coughs. It is not so good for acute colds and coughs, but for lingering, or chronic cases it is especially efficacious in producing perfect cures. It contains Black Cherry, Golden Seal root, Bloodroot, Stone root, Mandrake root and Queen's root—all of which are highly praised as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholow, of Jefferson Med. College; Prof. Hare, of the Univ. of Pa.; Prof. Finley, of Howard, M. D., of Bennett Med. College, Chicago; John King, M. D., of Cincinnati; Prof. John M. Scudder, M. D., of Cincinnati; Prof. Edwin M. Hays, M. D., of Hahnemann Med. College, Chicago, and scores of others equally eminent in their several schools of practice.

The "Golden Medical Discovery" is the only medicine put up for sale through druggists for like purposes that has any such pronounced and genuine worth more than any number of ordinary testimonials. Open publicity of its formula is the best possible guaranty of its merits. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous, harmful or habit-forming drugs and no alcohol—chemically pure, triple-refined glycerine being instead. Glycerine is entirely unobjectionable and besides is a most useful agent in the cure of all stomach as well as bronchial, throat and lung affections. There is in the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glyceric extract of native medicinal roots and is safe and reliable. A booklet of extracts from eminent medical authorities, endorsing its ingredients mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y.

PASTOR ACCUSED BY GIRL.

With muttering of personal violence coupled with threats of tar and feathers, Herkimer, N. Y., was stirred last night by the suspension of the pastor of the First Methodist Church, Rev. S. D. Robinson.

In its issue of yesterday afternoon the church paper says:
"For good and sufficient reasons District Superintendent W. H. MacOlethen has suspended Rev. S. D. Robinson as pastor. The action is unanimously approved by the official board of the church."
The paper was issued following a meeting of the board, it is said, at which the pastor was accused by Miss Addie Haynes, daughter of Dr. and Mrs. W. I. Haynes. She is a handsome brunette.

The pastor, it is said, is now arranging a hasty departure. The pressing of the charge grew out of Mr. Robinson's activity in the Anti-Saloon League no-license campaign in the county last fall, which engendered much bitterness among the liquor dealers.

Mr. Robinson is one of the best known men in the Northern New York Conference and went to Herkimer from the State street Methodist Episcopal Church, Fulton, N. Y. Located at Herkimer is Polts Mission Institute, the only training school for women missionaries maintained by the church. Mr. Robinson is one of the directors and attended to many details.

ESCAPE FROM A SNOWSLIDE.
A dispatch from Vancouver, British Columbia, says a Canadian Pacific passenger train had a thrilling race with a gigantic snowslide Saturday afternoon just east of Field, on the western slope of the Rockies. The engineer opened the throttle and the train dashed down the grade, escaping by only a few feet.

The train was westbound express No. 97. The engineer heard plainly the thunder of the avalanche booming down the mountainside. He opened the throttle and the race was on.

The last car had just got by a steep point when the slide struck the rails. An enormous mass of packed snow and ice, carrying big tree trunks, covered the rails to a depth of 20 feet.

The train was stalled at Field and news of the slide was not received until yesterday.

Yesterday evening only twenty bodies had been recovered from the debris of Saturday morning's accident on the Canadian Pacific near Rogers' pass.

Fifty bodies have been removed from the wreckage, carried down by the avalanche that destroyed two Great Northern trains at Osceola summit last Tuesday morning.

STRIKE SAID TO BE A FAILURE.

Philadelphia's public officials believe the effort to cause a general strike in sympathy with the striking trolley men has failed.

The municipal authorities declare it has failed and exhibit reports from 800 of the principal manufacturing concerns there to show that of 176,239 employees only 18,407 have quit work. There is evidence that theapid Transit Company has won. It largely increased its service yesterday and opened several lines not operated since the strike began.

Feet So Sore Couldn't Walk Down Stairs--TIZ Cured Her Quick.

If you have sore feet, tired feet, twenty feet, lame feet, tender feet, smarting feet, corns, bunions, read what happened to Mrs. Crockett, of Jeffersonville, TIZ DID IT.
"After the second treatment she walked downstairs one foot at a time. She had not been able to walk downstairs before in the past five years, except by stepping down on each step with one foot at a time. This is remarkable. Send five more boxes."
No matter what ails your feet or what under heaven you have used without getting relief, just use TIZ. It's different. It acts right off. It cures sore feet to stay cured. It's the only foot remedy ever made which acts on the principle of drawing out all the poisonous excretions which cause sore feet. Powders and other remedies merely clog up the pores. TIZ cleans them out and keeps them clear. You will feel better the first time it is used. Use it a week and you can forget you ever had sore feet. There is nothing on earth that can compare with it. TIZ is for sale at all druggists 25 cents per box or direct if you wish from Walter Luther Dodge & Co., Dodge Bldg., Chicago, Ill.

Large employers of labor in Philadelphia contemplates a backfire on the union in retaliation for the general strike. This was made plain by statements of Henry Clay, director of public safety, who canvassed 800 of the principal industrial concerns to discover exactly how many men from each have gone on strike.

"These reports," which show barely 10 per cent. on strike," Mr. Clay said, "have taught the employers that the trouble-making element among their employees is small enough to be entirely wiped out, and they are going to wipe it out if possible."

There is said to be a boycott movement in contemplation by the strikers and their sympathizers.

Nasal Catarrh, an inflammation of the delicate membrane lining the air-passages, is not cured by any mixtures taken into the stomach. Don't waste time on them. Take Ely's Cream Balm through the nostrils, so that the fevered, swollen tissues are resorbed at once. Never mind how long you have suffered nor how often you have been disappointed, we know Ely's Cream Balm is the remedy you should use. All druggists, 50c. Mailed by Ely Bros., 55 Warren Street, New York.

HOGS BRING HIGHER PRICES.
Live hog prices advanced yesterday at the stock yards, in Chicago, several carloads selling at \$10.20.

With a bound upward of 20 cents over Saturday's closing prices, live prime heavyweight hogs brought \$10.55 a 100 pounds at the stock yards in Pittsburgh, Pa., yesterday.

The price of hogs in Cleveland yesterday rose to \$10.25 a 100 pounds.

Live hogs sold at Indianapolis yesterday at the unprecedented price of \$10.35 per hundred weight.

The best hogs sold for \$10.25 a hundred weight in Cincinnati yesterday.

Live hogs were selling in Columbus Ohio, yesterday at \$10.50 a hundred pounds.

FOUND DEAD BY GAS.
Side by side, on separate cots, in the bedroom both occupied by their little home in Manayunk, Pa., the dead and almost decomposed bodies of Thomas Moore and his daughter Adeline, were found yesterday morning by neighbors, who finally broke into the house, after denying for days the assertion of one of their number that gas was continually escaping from the closed and locked windows.

Father, aged 50, and daughter, only 17 years old, are supposed to have succumbed to the poisonous vapor on Friday night due to the carelessness of one or the other in only partially turning off the flow.
